Stacy Hinnners, through her Attorney, Subodh Chandra, has filed a motion to convert a previous order dismissing the charges against her without prejudice to a dismissal with prejudice. The reason for the motion is that the city of Huron has no intention of presently seeking any criminal charges against her from an incident occurring in May of 2019.

For good cause shown and in the interest of justice, defendant's motion to convert is granted. All charges filed against this defendant in captioned case are hereby dismissed with prejudice.

Clerk to notify.
