Stacy is disrupting a public meeting & ignited Brad. He wants her arrested

I'll get a cop there

On the way

Jason just showed up. Just a heads up, nothings happened.

Ok

We have officers on station, they'll be monitoring on the video feed

Unbelievable.

Delivered

I see you got the text from Ouriel. I doubt the report is done. I can tell him there was an arrest, however, I don't have all the facts so beyond that I have no comment
